Dear Ms. Johannessen:

This is in response to our telephone conversations regarding the publishing of my catalogue essay, *Wilson Henry Irvine and the Poetry of Light*, by the Traditional Fine Arts Organization. Permission is hereby granted, with the stipulation that the errata cited below be corrected in the publication.

p.29 “Ces Jours d’Or” should be “Hôtel des Ajoncs d’Or”

“Pension Gloanec” should be “Hôtel Le Gloanec”

“his prime Pont Aven days” should be “1894”

My apologies for being so slow to send you the errata, but the upcoming Fine Arts Festival here in Paso Robles and my involvement with a new venture, Studios on the Park, have taken their toll of my time and concentration.

Best wishes for a good summer.

Sincerely,
